9:00-10:30am - Session One

Do you ever feel like you don't really know what trafficking is, or how it has found its way into our communities for that matter? This session will not only inform you of both, but also why it is vital that everyone from plumbers to hair dressers, school teachers, car-pool moms and medical professionals know the signs of human trafficking. Come and learn to see the unseen.

Don't miss this informative session as we explore the common lures used by sexual predators, discuss trafficking flashpoints in Ohio, and learn Homeland Security guidelines for Civilian responders. Live interviews with local law enforcement and a human trafficking survivor will help bring this session home in a real way.

1:45-2:30pm - Break Out Sessions

Various professionals involved in the fight against human trafficking will lead helpful Break Out Sessions addressing specific aspects of the trafficking dilemma. Choose a Break Out Session of your choice, based on your level of interest, profession, or field of interest.
