Do you know the signs of human trafficking for *your* area? Would you know how to respond if you came across them? Come and find out all this and more at our **Civilian First Responder 2015** conference at **Community Christian Fellowship**. Whether you already know a lot about the trafficking situation in America, or are sort of just now discovering it all, this conference will further inform and equip both you and your community to fight against it!

Session One

Do you ever feel like you don't really know what trafficking is, or how it has found its way into our communities for that matter? This session will not only inform you of both, but also why it is vital that everyone from plumbers to hair dressers, school teachers, car-pool moms and medical professionals know the signs of human trafficking. Come and learn to see the unseen.

Session Two

Don't miss this informative session as we explore the common lures used by sexual predators, discuss trafficking flashpoints in Pennsylvania, and learn Homeland Security guidelines for Civilian responders. Interviews with local law enforcement and a human trafficking survivor will help bring this session home in a real way.
