

FOR KIDS ONLY!

ALL OVER THE WORLD

Nobody likes to do chores. Working is just no fun when you could be playing with your friends. But lots of kids have to do chores all day without ever playing. Some even have to get jobs so they can take care of their families. Other kids are forced to work all day for no money at all! It's not fun. A lot of these kids don't have moms or dads, don't go to school, don't have enough food, and don't feel very safe. WAR, Int'l wants to change all that! We make sure they have a safe place to live, people to love them, and lots of time to play and have fun. You can help too! The money you use to buy stuffed animals, sling shots, bracelets, crayons, and other toys at WAR, Int'l goes right to the places that keep kids healthy and happy! What else can you do to help kids around the world?

If you're a kid who doesn't feel safe, or if somebody makes you feel scared, tell a teacher, police officer, or parent! Every kid should feel safe, even you!

STORIES OF RESCUE & EMPOWERMENT

COUNTRY: VIETNAM • PROGRAM: EDUCATION

VOICES OF VIETNAM

Lynn

How does our awesome story begin?
Well, there once was a girl, her name was Lynn.

She lived in a land called Vietnam,
She had no dad and she had no mom.

At first, Lynn lived in an orphanage home,
But even with friends she felt all alone.

This made Lynn's heart just oh so sad,
But some really cool people helped Lynn become glad!

They told her about something totally new,
A place with family, friends, and school too!

Soon Lynn was there learning fun new things,
And now her heart is so happy it sings!

Lynn's new home really is fantastical,
She got to go thanks to Women At Risk, International!
